

CLARESHOLM REVIEW

VOLUME 9

CLARESHOLM ALTA., AUG. 7, 1913.

NO. 24

Public School Passes 100 Per Cent

The result of the Grade VIII examinations which appeared last Saturday brought joy to the hearts of every pupil of the Clareisholm Public School writing on this examination. Other towns are congratulating themselves on percentages running from 60 to 97, but Clareisholm has a clean 100 per cent. Even Meadow Creek's one pupil passed giving them a century percentage. When it is remembered that throughout the province 40 per cent of those who wrote failed, the success of the teachers who trained the pupils who prepared for this examination at the Public School here is more marked. The successful ones were—May Amundson, Maud Bell, Ward Clark, Percy Cochrane, Elsie Cottle, Roy Hutchinson, Hazel Hutton, Donald Laidlaw, Dorothy McCulloch, Frank Mackenzie, Maud Milnes, Eva Moffatt, Alan Sharples, Susan Sharples, Alice Simpson, Lillian Solberg, Gail Straug.

This Paper is in Wrong

Moose Jaw, Sask., July 28.—The Clareisholm Review has passed a resolution unanimously condemning a local paper, The Evening Times, for its front page editorial on the financial condition of the city.

In part, the resolution reads as follows: "That this Council desires to place on record its strong disapproval of the article published recently, owing to its gross misstatements of local conditions, wherein the credit of the city and its business men is impugned, and that a copy of this resolution be forwarded to the Board of Trade with the request that support be given this motion with a view to restoring confidence in the city which has been seriously injured by the publication aforesaid."

Moose Jaw, Sask., July 28.—Mayor Pascoe emphatically denies the report published in a local paper announcing that the city's bankers have refused to accept cheques drawn by the city. "Any inconvenience that has been experienced in connection with the city's financial arrangements has been caused by our inability to dispose of the city's debentures," said the Mayor.

Uncomfortable Position

To be thrown from his buggy and forced to lie with a broken ankle in the foothills of the Rockies in the midst of a pelting rain all Monday night and until the middle of the afternoon on Tuesday was the fortune that befell Charles Vail, of Clareisholm, this week. The young man was driving through the foothills on Monday evening when his horse bolted and hurled him from the buggy, his ankle being broken in the fall.

The broken bone caused excruciating pain and the sufferer unable to move was forced to lie in the rain all night and at the mercy of a persistent rain. Owing to the disagreeable nature of the weather traversers of the road were few and far between and it was not until the following afternoon that the unfortunate man was found and brought to town by Charles Bruce. Dr. Mooney then rendered medical assistance.

Sheep a Business Proposition

The value of the sheep industry in Southern Alberta, to legislators indicated in the figures prepared by Mr. C. G. K. Nourse, showing the total wool clip and its value. The total clip for the south was 928,258 pounds, as compared with 840,053 pounds last year. At an average price of fourteen cents, 828,258 pounds of this was handled by Lethbridge, a total value of \$116,000. The largest clip was by Ray Knight, of Raymond, 360,055 pounds. The Macleod and Clareisholm clip is estimated at 100,000 pounds, and the total clip of two ewes is a fee of 15c per head is allowed for horses and cattle, dating from the day on which the notice is mailed to the owner of the sheep, and not exceeding the sum of \$8.00. The sum of the 29th township, July 5c. a day is allowed for feed and the total cost is limited to \$3.00.

It Wouldn't Work

R. E. Moffatt and W. J. McKenzie went to Macleod with the foot they are exhibiting at the Fair there. Mac returned Tuesday evening. J. B. Bove sent down his prize winning foot. Ernie is not going to try to feed the judge as he attended here. The outfit that called for a pen of three pullets and one cockerel contained two cockers and a hen, a pullet and a hen. The judge got nothing but a sign hanging out the "nothing doing" sign.

Pony and Galloway Race Meet

The Western Canadian Pony & Galloway Association with headquarters at Victoria Park, Calgary, have decided to put on a Pony and Galloway race meet the 30th of August at Victoria Park, commencing at 2:30 p. m. The programme will be ready for distribution in a day or two and may be had on application to E. L. Richardson, Secretary, Calgary. The programme includes the following races:

- 1 mile Gentlemen's Race
- 1 mile Galloway race
- Polo Pony Dash
- 1 mile dash for Maidens
- Gentlemen's Race, 1 1/2 mile
- 1 mile Galloway race
- 1 mile Handicap
- These who are interesting themselves in the success of the meeting are doing so in the interests of encouraging racing of ponies and Galloways and providing a good sport among amateur racing interests. A comprehensive set of rules governing pony and Galloway races have been adopted which conform closely with the rules adopted by the British Pony and Galloway Racing Association. The officers of the Association are as follows:

- President—E. J. Kiern, Millerville.
- 1st Vice-Pres.—O. A. Critchley, Cochrane.
- 2nd Vice-Pres.—C. R. de la Vergne, Glendon.
- Secy-Treas.—E. L. Richardson, Calgary.

The membership of the Association is increasing very rapidly, no less than 28 being added to the list at yesterday's meeting. The annual membership is \$3 and horsemen and others interested are invited to send in their names. The secretary who will place same before the directors for their approval. Prospects look bright for a successful meeting, and it is confidently expected that in the near future this will be an important annual event.

Alberta Estray Law

The Alberta Estray Law proscribes that the party who takes up an estray animal must immediately notify the brand reader nearest his place to come out and examine the animal and take a copy of the brand. If any on the animal. Then an advertisement must be inserted in the nearest local paper and also in the Alberta and public school until the law is complied with, the holder of the estray cannot collect any fee for his trouble or feed. Prompt action must be taken, the law being very strict in this matter. The brand readers are entitled to a fee of two dollars for each animal they examine and mileage of 10c. per mile for the first ten miles. Most for reading the brands and the advertising is a charge against the estray animal and must be paid when the animal is claimed. The party holding the animal is responsible for its sale or recovery. If not redeemed by the owner, no charges for feed are allowed between the 15th of April and the 15th day of November. From November the 15th to the 1st of April a fee of 15c per head is allowed for horses and cattle, dating from the day on which the notice is mailed to the owner of the estray animal, and not exceeding the sum of \$8.00. The sum of the 29th township, July 5c. a day is allowed for feed and the total cost is limited to \$3.00.

Another Prize for Window Decoration

The addition of a fine bazaar jar to the prize already offered for the best decorated shop window ought to please those who intend to compete. The decoration of shop windows for this event not only helps out the Flower Show but also attracts business to the store. Flower Show, Thursday, August, 14th.

Read It Again

An innocent little paragraph in last week's issue has apparently been misunderstood by some (really) without the slightest shadow of excuse) to the reflection on the young lady who officiated as Derby Queen at the Exhibition last week. Re-reading the paragraph it will be clearly seen that it is the method of carrying out the ceremony that is criticised, not the young lady. Two years ago the Derby Queen was compelled to make her way over the track to the jockey and she would have had to return to her place in the stand unattended if one of our merchants had taken such such was the case and escorted the young lady back to her place. This year the young lady who was to make presentation had to go to the jockey instead of the winner being presented to her in her place in the stand and instead of short courtesy to the Queen of the race he grabbed her bouquet, which should not have been given to him at all except to present to the Queen, and the wife and stride off slipping his riding breeches with the bouquet. The criticism was levelled at the discourtesy to the young lady not alone by the jockey but also by the Exhibition authorities who failed the ungracious ceremony.

Enough Gas and to Spare

Edmonton, Aug. 1.—"Within the next few months we have every reason to believe that Westsaskia will have sufficient gas to warrant it supplying other cities should the council decide this to be advisable," said James Rummel, who has been connected with the oil operations in the elevator city for some time. The work of piping the gas is proceeding rapidly and before the city hall and public school will be supplied with natural gas. The power plant at the present time is being operated by gas and a considerable saving has been effected.

Make It the Best Show of All

The special prizes donated for the Flower Show have been placed in the window of Breton's Furniture store where any information regarding the same may be obtained by applying to Mr. Breton, the Flower Show secretary. Owing to the delay of publishing the prize list it was found impossible to include the list of special donations. The hour of the parade of decorated autos and carriages will be one exception that of 1887, in thirty years. The total rainfall for this dry month was 1.57. Strangers that were never known to dry up are dry and water is being bailed in tanks and even railway tank cars to supply some Kansas towns.

Lawn Social

The Clareisholm Band announce the holding of a Lawn Social on the grounds of the Methodist Church, Wednesday evening, August 13th. The cost and rules are subject to the usual delicacies will be served. The band will provide a fine menu of instrumental music to go with the other social. Those who wish to give their attendance that you appreciate the splendid effort being made by the boys to get a band of which the citizens may soon be proud. Loosen up your change to and give the band a financial boost.

\$500,000 Fire Damages

Abilene, Aug. 5.—Nearly the whole of the business section of Abilene is in ashes, having been destroyed by a fire which broke out about three o'clock this morning. The fire started either in a pool room or the Grand Union Hotel. The flames swept through Strathcona street and Litchfield avenue. The two hotels were destroyed and over thirty business houses. Bucket brigades finally checked the flames. The total damage will be over half a million.

You Should Attend

The Epworth League of the Methodist Church have secured Rev. J. M. Waggett, of Calgary, an entertainer of repute, to give an hour or so with the great banjoist, Mark Twain. This lecturer is said to be a splendid interpreter of the inimitable characters Mark Twain has portrayed and it will be a treat well worth the effort of attending at the Opera House next Tuesday night. Tickets of admission are only 50 cents. Seats will be on sale at O. L. Reinecke's. The Clareisholm Band will be in attendance and render some pleasing selections. Arrangements to spend this evening with Mr. Waggett, the ghost of Mark Twain and the young folks of the Epworth League.

Clareisholm has Crab Apple Orchard

A most unusual sight in Alberta or indeed the west is furnished by a visit to the emery orchard of Dr. B. F. Steeves here, where seven sturdy trees are bowing under the load of crab apples which they bear. These trees are in their fourth year and have had no particular care. One little twig has one dozen fruit upon it. The man has been regaling himself already on ripe tomatoes picked from his vines.

Carry War Into

Enemies' Country

Four or five associations of farmers have taken advantage of the provisions of the Co-operative Association Act to organize for business. The articles of incorporation give these associations the right to engage in almost every business under the sun, except the newspaper business.

The Fish are Threatened

Fred Watkins, Wm. Moffatt, E. Jones and Leonore Clark left yesterday for the North Fork of the Old Man River on a fishing trip. Bill will fish catching that fish and Ernie may be expected home by wireless before the trip is over.

Dry Farming with a Vengeance

A severe drought prevails in the west of Kansas. July, 1913, is the driest month with one exception that of 1887, in thirty years. The total rainfall for this dry month was 1.57. Strangers that were never known to dry up are dry and water is being bailed in tanks and even railway tank cars to supply some Kansas towns.

Will Rebuild School

The Alberta Gazette announces that permission has been granted to Badger Flat S. D. No. 1471, to borrow \$100 for the purpose of replacing the school which was burned last spring.

Harvesting is On

Harvesting has started in this vicinity. Rev. H. Milwood having cut his barley. Ten days will see many bladders at work in the fields near this town.

Farmers Requiring Help to Send in Their Applications at Once

The Central Office of the United Farmers of Alberta at Calgary are Distributing Men. Cheap Rates only Good from Aug. 1st to 15th

Arrangements have been made this year for the sending out of harvest help on the special cheap rate to the various points in Alberta from the city of Calgary instead of directly from Winnipeg. R. J. Riley, Publicity Secretary for Alberta at Winnipeg, has given authority for issuing the 1c a mile rate for the Central Office of the United Farmers of Alberta through their Secretary, P. Woodbridge. The fact that the limit was only made known at the very last moment and is only for the period between the 1st and 15th of August, makes it almost imperative for each of the various branches of the U. F. A. to be communicated with immediately and it is hoped that those requiring help for the harvest will send their applications at once direct to the Secretary of the United Farmers of Alberta at Calgary, when the men will be despatched to the various points as rapidly as possible.

Communications

CRITICISES THE JUDGES

Granum, Alta. Aug. 4th.

To the Editor of Review. Dear Sir:—

Permit me through the columns of your valuable paper to call attention to the lack of judgment shown at the recent show at Granum. I exhibited a highly finished painting of my own work on Colport china, (such a plate could not be purchased at less than \$60 in the States). This plate was judged second, the winner not being a painted work at all, only the commonest Limoges, printed work, made and decorated in France. My next exhibit was a picture of Scotch cattle, also my own signed work. This again was marked second, the first this time being the most wretched oil painting I have ever painted (not worth 50c. at the most). Being a qualified artist from North Kensington, I know what can be written about, but I just think it time Granum woke up, as no show can prosper judged by such ignorance—you cannot call it judgment.

Yours Faithfully, William J. Wilcox.

A Hurtful Rumor Denied

The report that has been circulating in the country adjacent to this town to the effect that Clareisholm School was intending to drop the High School, is absolutely baseless. The school has already attained a splendid reputation and will continue to uphold it in the future.

Hail Damage in North

A severe hail storm at Selkirk on Monday of last week completely destroyed the crops of the farmers south-west of the town and to the town broke windows and caused other damages. Hail stones two inches in circumference fell during this storm.

Bawlf Scorched

Bawlf, a town on the C. P. R., east of Canmore, had a fire last Saturday which destroyed a large part of the business section. The loss will be over \$30,000.

Pedagogue For Granum

Mr. E. Dudley, who taught last fall in the old high school district, Miss Ernie's temporary absence and who for the last eight months has been enjoying country life at Harrison school, Harman, has been appointed principal of Granum school—Olds Gazette.

Meadow Creek School Exams

W. H. Gordon, Teacher. June 30th, 1913.

Giles Must Adopt New System of Financing

The Canadian banks have come to the decision not to advance money to western cities on the old system for local improvements. It will be necessary in future to issue consolidated bonds for work contemplated instead of, as at present, issuing bonds when the work is completed covering the individual improvement.

Bare Walls For Postoffices

Postmasters have received instructions from Ottawa to permit no notices other than those relating to the post-office department to be displayed in post offices. This will do away with the cheap advertising which covers walls of country post offices generally. This poor trial of the weekly paper must now die the death, if the post masters do their duty.

The Football Derby

What should prove to be the most interesting game of the football season will be played at Stavelo on Friday the 15th. The Clareisholm team will travel up by the 5:25 and the match will start at 6:45.

The team will be one of the best ever turned out by Clareisholm. A. Cornthwaite will be back in his old position of left back and he has a great partner in Bob Stephens the law Dominion Bank teller, who comes from Calgary with a great reputation as a footballer and Bush in goal it remains to be seen how Stavelo can possibly score.

The half backs will be again led by J. Proven who has a willing worker in Buckingham, Ernie plays a quite sound game and should do well in the forthcoming match.

Baldwin "our noble captain" will again lead the forwards on to victory, he is a great centre and Stavelo will be giving some of their ever stop Balle who he gets going, he has a knack of getting the ball and waiting round six or seven men and scoring himself and his great performance at the last Stavelo. The game will live long in the minds of those who saw it.

The left wing will be as usual Peter Gray and Corp. Moorhead, both players are very fast and if they get a chance to show their speed in the last game they should account for a few goals.

Connon will again play inside right and he will be partnered by McKee who is a Scotchman from the Highlands and consequently a pretty tough one. So what with Connon's legs and McKee's toughness they should keep things humming all the time.

It is expected that a big crowd will travel with the team and cheer them on to victory. So keep Friday 15th in your mind and be at Stavelo at 6:45 sharp.

WHERE DO YOU SHOP?

Do you shop in a brisk, active store, or in a dull store?

Advertising makes bright stores. Failure to advertise goes hand in hand with dullness and stagnation

Advertising brushes away cobwebs and dust, smartens shop windows, quickens the intelligence of salesmen, and lets in the sunlight.

Advertising makes the merchant think of you—of your wants and needs; makes him anxious to serve you to your liking and advantage.

Advertising keeps stock from having birthdays.

Advertising acquaints you with new things, and so brightens your home, your life, your person.

Advertising keeps a business from growing lazy and stupid. Advertising injects good red blood into the arteries of a business, and keeps it healthful and active.

Shop were your wants and needs are uppermost in the mind of the merchant. Shop in the store which reflects you, which you dominate. Shop where your money returns to you in better goods, better values, better service.

Shun the shop that is dumb and dark and dreary; keep away from the shop that never speaks to you, never smiles at you, never bothers about you.

Reward by your custom the merchant who lives to serve you, and who is doing his utmost to build up this community; who takes you into his confidence by means of advertisements in your local newspapers.

Smile back at the shop which smiles at you—Shake hands with it—keep company with it—your favor will be returned to you tenfold.

Government Cattle at Edmonton Exhibition

Dairy Shorthorns, Jerseys, Ayrshires and Holsteins to be on Show but not in Competition.

Through the courtesy of Hon. Duncanson Marshall, Minister of Agriculture for the Province of Alberta, twenty-four of the finest dairy and stock cattle from farms of the Government Demonstration farms will be on exhibition, but not in competition at the Edmonton Exhibition next week.

Of more than ordinary interest to Albertans will be the assembling of these different breeds, as opportunity is thus given to those interested to study the different types of each of the breeds represented.

This exhibit will be under the personal charge of Mr. H. A. Craig, Superintendent of Demonstration Farms in Alberta. Each herd however will be accompanied and cared for by its own herdsman from each of the respective farms. The Agricultural Department has offered five prizes in connection with the exhibit, one of which will be for the best groomed herd, and the other four for dairy competitions among them, hence some interesting results are looked for.

A very instructive feature of the exhibit will be the dairy tests which will be carried on during the progress of the exhibition, as well as offering an opportunity to compare and decide each for themselves, the relative merits of the dairy herd shown.

So far the selection of the different breeds have proven so excellent, and the methods of handling them so satisfactory, that it is expected this cattle will make some Alberta records this year.

SENEGALIAN FARM (Shorthorns)
From the Senegalese farm will come Butterfly King, admitted to be the best dairy shorthorn bull in America. He was imported from England and is nine years old. One of his daughters is giving 40 pounds of milk every day, and several of his daughters and grand daughters are approaching that mark.

Butterfly Prince, is another dairy

shorthorn from the same farm. He is a son of Butterfly King, and very similar in type to his sire.

Lady McKay 2nd, who will be on exhibition has given 3125 pounds of milk in two months. Her daughter Lady McKay 3rd, and Kentucky Rose, her half sister will also be here. And still another fine dairy cow of the shorthorn breed is "Daisy" who was imported by the well known breeder Robert Miller of Stouffville, Ontario. All the foregoing are from the Senegalese farm.

CLARESHOLM FARM (Shorthorns)
Brookner Champion, another dairy shorthorn bull, imported from Scotland who is now four years old is the head of the Claresholm herd.

Lula Rose is another beauty of this herd, who is giving 35 pounds of milk per day.

Another notable cow is Glenside Alice, the prize of the farm an imported animal, that was a prize winner at the International Show at Chicago last December.

Pride of Moss is another fine cow. There will also be three calves on show from Claresholm farm, all of which are line exponents of the dairy shorthorn breed.

Ayrshires, Claresholm Farm.
Whisper-Pink, two years old, also from Claresholm herd of Ayrshires was the winner of the dairy tests two years old at the recent Calgary show, winning in that test by 20 points over all other heifers.

These other good Ayrshires too of which were imported by R. R. Ness of Haysick, Quebec, are also coming from the same farm.

JERSEY FARM (Jerseys)
Brampton Hero, imported by B. H. Ball & Son, Edmonton, Ontario, will be on exhibition, winner of prize in 1912, four years old, head of that herd is coming from Medicine Hat.

HOLSTEIN FARM (Holsteins)
Hazelton from Hazelton, Ontario, will be on exhibition, head of that herd from the Olds Demonstration farm, and four from Vermilion including cows which have given 2300 pounds of milk during the month of July.

Mr. Craig will also have in this exhibit five good feeding steers of the

Hersford, Shorthorn and Aberdeens Angus breeds, which were fed during the winter, and are now being finished. At present they average in weight about 1900 pounds.

Farmers Threaten Boycott Threshermen

(The Maelco Advertiser)
Strike is impending in the South Maelco district between the farmers and the threshermen.

It is reported that the threshermen have formed a combination to fix the price of threshing at 15 cents a bushel. This is an advance of five cents on last year's price. Not so very long ago five cents was the recognized figure but there has been a steady increase ever since.

An agreement has been circulated, and liberally signed, among the farmers south of town, not to pay more than the following schedule: Oats, 30 cents; Barley, 40 cents; Wheat, 45 cents.

It is proposed to submit this schedule to the Farmers' Union for endorsement. These are the behind the movement say that two engines have already been placed at their service and that others can be obtained. They also declare that separators will be brought and that threshing outfits from outside the district were used.

It amounts to a boycott of the threshers now in the field.

CLARESHOLM and DISTRICT

Mrs. Dixon, of Walkerton, Ont., is the guest of Mrs. M. Fisher.

Mrs. Hamlin and children are visiting friends in town this week.

Blanche Milnes returned from a trip to the south this week.

J. M. Glenndening, of Nanton, M. L. A., was here on Monday.

Mr. (Dr.) W. E. Wallwin and children were here from Barons for the Fair.

Mrs. Harry Thomas and Mrs. Ringrose returned from their holiday up north on Monday.

Mrs. Mayland and Mrs. Atwood of Nanton, were the judges of the ladies' department of the Fair.

A prize has been added to the list for the Flower Show for the best hanging basket.

Roy Moffatt, of Champion, spent the week with his uncle, Wm. Moffatt, and took in our big summer Fair.

The Alberta Grain Co. are substituting steel grain spouts for the old wooden ones which have worn out.

J. Tucker, with his wife and child and Miss Bessie McLean, of Neteran, are guests of the Moffatts.

Wm. Moffatt has just received the news of the death of an aunt at Carleton Place, Ont., at the advanced age of 92.

Mrs. E. Woodard and family, of Chapleau, Ont., who have been visiting relatives here, leave to night for Creston, B. C.

J. H. McNally was the government appointee to judge the standing grain competition in connection with the Maelco Fair.

Wm. Moffatt, M. P. P., attended the banquet at Maelco given by the Board of Trade. Several other notables were present.

W. J. Stephens, principal of the Claresholm Agricultural School, was in Lethbridge for the Irrigation Convention this week.

Mrs. C. B. Gray and daughter, Pearl, left this week for Valer, Mont., where they will spend a couple of months.

D. B. Vanhorn and Mrs. Vanhorn, Mrs. Stewart, M. A. Both, and Mr. Shearer motored to Maelco to see the Fair yesterday.

Larry Bell and O. J. Wood, the latter of Carleton, returned from a fishing trip to the Old Man River to-day.

The Lutheran Church met with success in their refreshment business which they carried on at the Exhibition. They cleared over \$70 in the two days.

The vacancy on the Public School staff caused by the resignation of Miss Carson, has been filled by the appointment of a sister of Miss McElroy.

The log of mutton donated by the Claresholm Market will be given as a prize for the best decorated auto in the parade on the evening of the Flower Show, August 14th.

If all the good resolutions made by the farmers and horse owners after seeing the success which so many exhibitors had this year are all kept next year's fair will be a world beater.

J. T. Kingsley, H. O. Haslam and Ray Patterson returned from their motor trip to the Old Man River last night. They report a fine time, a good catch and no flies or mosquitoes.

One week and the Flower Show will be on. Those who can afford the luxury of a fine auto are urged to decorate and get in the parade and let no poor unfortunate have a look.

The results of the Grade XI examination appeared yesterday. Russell Haig, George Harper, William McKinnon, Thos. McNally, and Chalmers McNeil were successful.

E. Duffey, who was for a time on the staff of the Olds Agricultural School, who has lately been in charge of school in that district, has been appointed principal of the Grinnup Public School.

H. L. Funk returned Tuesday from a motor trip to visit his brother at Irlana. Since he left that district was visited by a very severe hail storm. There is no conception how ever between the two events.

Magnath suffered a severe headache Monday night. The same night had damaged the cups over quite an area in the Ardenville, McBride's Lake and Stouffville district, south of Maelco.

Jack Taitinger, who won fame for himself and the Claresholm district by winning the world's prize for barley at the Dry Farming Congress last fall is in the city at the Irrigation Congress, Lethbridge Herald.

Some foreign agricultural matter is displayed about town announcing the visit of Mr. Waggoner who will give an evening with Mark Twain. The announcement is vague about the place but we believe it is intended to use the I. O. O. F. Opera House.

New 1914 Prices

EFFECTIVE AUGUST 1, 1913

Call and let us show you the great qualities of the Ford

Western Canada Pony & Galloway Association Races

Victoria Park, Calgary

Saturday, August 30th, commencing at 2.30

Programme Includes the Following Races:

- 1 Mile Gentlemen's Race
- 1 Mile Galloway Race
- Polo Pony Dash
- 1 Mile Dash for Maidens
- Gentlemen's Race, 1 1/2 Mile
- 1 Mile Galloway Race
- 1 Mile Consolation
- 1 Mile Hurdle Race

Entries close 6 p. m. August 29th.

Programmes may be had upon application to the Secretary, E. L. RICHARDSON, Victoria Park, Calgary.

E. J. Kieran, Millarville, President.

A big event is being announced in the price of the Ford car. Thereovers have given eminent satisfaction and reduction in the price will enable the undersigning agent, J. G. Cumming, to place more of them in this district than ever before.

Claresholm chickens took several prizes at the Maelco Fair in competition with the exhibits of large poultry men from outside points. J. B. Bove had several firsts, won four or five firsts and Ernie with four chicks got two firsts and two seconds.

J. Smith the provincial seed inspector, is making his visit in this district. The light against the weeds is much more likely of success when begun early than after the weeds have taken possession of the fields. Only vigorous policy will be of any use. The owner of the weeds must be forced to clean up for his own good and for the good of the district.

The English Church picnic to Willow Creek on Tuesday was a success. Almost every car in town was kindly placed at the disposal of the picnickers and the merry crowd reached the picnic ground at 11 a.m. when lunch was served. The picnic closed for this outing has not been used by picnickers and the English Church folks claim the right of it every year. It is eminently suitable for visiting and holding sport about the entire afternoon in the water. After a generous repast the party returned to town at 6 o'clock tired but happy.

Baby Drowned

Robert, the little 18 months old son of Mr. and Mrs. Duncan McNally, living on a branch of Willow Creek, was drowned last Saturday afternoon in a little spring brook near the house. It is supposed that the little boy had tried to follow his mother, who had crossed the brook from the house to the garden. Mr. McNally had come to Nanton and received the sad news on his next trip.

The funeral was held Monday at the family home, about thirty miles southwest of town, the service being conducted by Rev. A. Little—Nanton News.

BLOWING OUR OWN HORN

WILSON HOTEL TOBACCO STAND
J. A. MITCHELL, Prop

We would be afraid to blow our own horn if it was not that we have a host of satisfied customers who are praising the quality of the Tobaccos, Cigars, Cigarettes, etc., we are handling and as our goods stand back of the blow, we are not afraid to say that we have no choice, but to tell you of the quality of the best tobacco and smokers' sundries as is carried in this country. This is a blow straight from the shoulder and we want it to hit every eye of tobacco who has not become our customer.

CANNOT BE HELPED

We regret our inability to get the names of the prize winners at the recent Clareasholm Fair for this issue. The absence of the secretaries, made the securing of this information an impossibility. The Gramma Fair prize winners could not be secured either in time for this issue. We were unable to get to Gramma as we intended on Monday and the publication of this list is deferred. The Gramma Fair was a splendid exhibition. The weather was favorable and the crowd was a very large one on the second day. The exhibits were beyond the average both in quantity and quality. We hope to have the information for which our readers are looking, for next week.

SPEAK TO THE PRINCIPAL

While nothing has been said to us from the principal of the Agricultural School here, on this subject, we think it would not be amiss if any of the citizens who may have a spare room which would be available for lodging students at the School which opens in November, would mention the matter to Mr. Stephens so that he might be in a position to give the information to any intending student who may ask for such information. If conditions are here as elsewhere board and room together will probably be desired by some, others will want room or board alone, and there may be some homes where chores or Saturday work might be acceptable as part payment for lodging. If the principal of the School had a list of such homes early it might be the means of increasing the attendance at the School and giving some who might otherwise be prevented from attending an opportunity to avail themselves of the valuable instruction which the School will be prepared to give.

DOING WELL

It is not too late for us to comment on the really pleasing work of the local band at the Fair last week. When it is considered that but seven or eight weeks have elapsed since Bandmaster Larkin took hold of the no doubt promising but nevertheless crude material out of which he has evolved the body of musicians which did him credit, one is more than astonished at the progress manifested. The leader has begun in the right way with the boys and is drilling them on sight reading instead of rote memorizing. The students under Mr. Larkin are being equipped to play music played by one and all when the music is mastered, the way is clear to more pretentious pieces. At least the simple selections were musical and gave greater satisfaction to the crowd than if more ambitious selections had been attempted and butchered. The boys are attending the practices punctually and it is well that they recognize that the tuition they are receiving is most valuable to them and that the future will find them much more capable musicians than if the old system had been followed.

Hail Did Lot of Damage

Macleod, Alta. Aug. 5.—Hail did much damage in the district south of here last night. A trip of territory about seven miles wide and twenty miles long was devastated. The hail stones were in places as large as pig-eat-eggs, pigs and poultry being killed. Some of the hauled out farmers carried lost insurance.

BIG KEY CONTEST

New Williams Cabinet Sewing Machine
Given Away Absolutely Free

Our proposition is this:—

With every two dollar cash purchase bought in our store, you are entitled to one key, four dollars two keys, and so on up. One of the keys in the box will open a large Yale lock. The person who secures this key will claim the beautiful sewing machine.

The lock will be sealed and on display, so will the sewing machine. You will be proud to possess it, it costs you absolutely nothing.

We are prepared for a large volume of business, with a full line of the latest goods; our prices are right.

This contest is for the purpose of introducing ourselves to those who are not our regular customers and to show our appreciation of those we have had the pleasure of serving.

We will let our customers know when keys are all distributed.

Yours truly,

MARK FISHER.

You Know Us

We are in business right here where you live. You are acquainted, neighbor or a friend of ours. This money-back, honest-satisfied offer should prove the sincerity of our claims.

When we say we believe we have the best laxative and back up our statement with our absolute promise to return without question or penalty the money paid for it, if it does not give entirely satisfactory results, we believe we are entitled to your confidence.

Our business success and prestige depend upon your confidence in us. We know your money and hold your confidence to us to get and keep your patronage. Therefore, we would not dare enter this offer if we were not positively certain that we can prove our claims for

Realall Ordinaries

Our experience with them and the many reports we have received from those who have used them, prove that they are really the most satisfying and satisfactory laxative remedy we know of.

Realall Ordinaries take the ready. They are without any laxative action. They don't cause cramps, nausea, purging or excessive looseness, as do the usual placebo or cathartic. Realall Ordinaries mean to act as a tonic-strengthening upon the bowels and muscles of the bowels. They strengthen.

CAUTION: Please bear in mind that Realall Ordinaries are not sold by all druggists. You can buy Realall Ordinaries in the form of one or two tablets.
